Level A----- \$30.00 (With Advanced Notification)

Designed for those who have little or no previous experience providing first-aid to athletes. Very basic skills of injury prevention, recognition and awareness and acute first-aid will be discussed. Taping and wrapping skills will be stressed. Much time will be spent making the participants cognizant of legal liabilities involved in athletics. Situations that could lend themselves to catastrophic episodes (hot-weather practices, head & neck injuries, lightning guidelines, etc.) will be discussed.

Level B----- \$30.00 (With Advanced Notification)

Designed for those who have had previous experience providing first-aid to athletes. These individuals must have previously completed Level A. Level B will provide more information on injury recognition. Situations that could lend themselves to catastrophic episodes (hot-weather practices, head & neck injuries, lightning guidelines etc.) will be discussed.

Level C----- \$30.00 (With Advanced Notification)

THIS PROGRAM IS DESIGNATED FOR LICENSED ATHLETIC TRAINERS & LICENSED HEALTHCARE PROVIDERS ONLY.

Situations that lend themselves to catastrophic episodes (hot-weather practices, head & neck injuries, lightning strikes, etc.) will be discussed. Other topics of interest will be discussed with you by physicians and AT's from throughout N.C. These topics include but are not limited to Nutritional, Injury to Specific Body Parts, Sport Specific Rehabilitation, Record Keeping, Legal Liabilities and others.

Evaluation forms will be used to determine future topics for discussion.
